Editorial

TO PURI WITH PRIDE

We will be meeting at Puri on 22nd and 23rd September 2018 in the national conference of the biggest organization of BSNL retirees, AIBSNLPWA. We are meeting to review our activities and take stock of our gains of the last nine years. We are meeting to prepare our action plan for the next three years. AS we take stock of our achievements we realize the situation before 2009 when there was no one to speak for us the BSNL retirees, when there was no one even to cry for us.

When we raised the demand for pension revision, which never took place in central public sector sphere till then, many thought it an impossible, unrealizable dream. But that dream has come true. When we raised the demand that liability to pay pension to us, covered by CCS Pension Rule 1972, should solely be with the Government many thought it as a preposterous demand and hence they wanted to take it up later. But we were firm. Finally, the government conceded our demand and now it is 100% responsibility of the Govt.of India to pay pension to BSNL retirees.

When we demand a sustainable system for regular pension revision of BSNL retirees along with other central service pensioners applying the same fitment formulae suggested CPCs, some people unable to dream big or think big, are trying to sabotage it by raising irrational demands.

We are aware of the ill-conceived move of the Government of India to amend the Industrial Employment (Standing Orders) Central Rules, 1946, whereby the scheme of fixed term employment is extended to all Industrial sectors. The ultimate result of the move is withdrawal of all types of social security systems and introduction of free hire and fire policy. Pension is under constant attack from ruling class.

We are aware of the fast changing social fabric also where new generation has no hope of pension, not to speak of guaranteed pension scheme, or any social security system. We do know that the size of non-working section is increasing placing more burden on the minority work force. We know well that such an alarming dependency situation will further worsen the condition of elderly people in our country. Elderly persons are turning out to be a liability for the young.

We are fortunate that we have some pension. We are aware of the plight of those elderly Indians who have nothing to depend upon in their old age. We have greater responsibility in shaping a harmonious society in our country. We have to walk a long distance again. We cannot walk alone. And as we walk, we must make the pledge that we shall always march ahead. We cannot turn back.

Puri AIC has major items in its agenda.

FUTURE PENSION REVISION WE ARE CLEAR AND FIRM

D Gopalakrishnan

Application of 7th CPC fitment formula to BSNL IDA pensioners covered under CCS (Pension) Rules 1972

Justification

· **DoP&PW OM dated 5/7/1989** states "The Govt. servants who opt to be governed by the pensionary benefits available under the Govt, shall at the time of their retirement, be entitled to pension etc., in accordance with the Central Govt. rules in force at that time. Para 7 of that OM states "these orders will also be applicable to those Govt. servants who would be absorbed in the MTNL, VSNL, NAAI etc.

· **DoP&PW OM dated 1/9/2008 & 3/10/2008** says "these orders apply to all the pensioners/family pensioners who were drawing pension/FP on 1/1/2006 under CCS (Pension) Rules 1972". DoT endorsed DoP&PW OM dated 3/10/2008 and 14/10/2008 vide its order dated 23/10/2008. After acceptance of 7th CPC recommendations by the Govt. similar order was issued by DoP&PW vide its OM dated 4/8/2016.

· For a clarification sought by DoT vide its ID No.40-31/2008-Pen(T) dated 18/3/2009 regarding applicability of Revised Rules w.e.f. 1/1/2006 with regard to 6th CPC to ex-DoT employees absorbed in BSNL and DoP&PW clarified vide its Desk 'D' dated 27/4/2009 that it is applicable. In that clarification DoP&PW stated "**BSNL is the only PSU that has been granted a special dispensation under sub-rule 21 of Rule 37-A to the effect that pensionary benefits including FP to the absorbed employees of BSNL is paid by the Govt**".

· DoT vide its order dated 23/6/2011 endorsed DoP&PW OM dated 2/9/2008 & 3/10/2008 and stated that **these are applicable to BSNL IDA pensioners also.**

· BSNL retirees are covered under CCS (Pension) Rules 1972 on par with Central Govt. retirees.

· Absorbed employees rendered most part of their service in Department of Telecom.

· Govt is paying pension/family pension to BSNL IDA pensioners also as it is given to C.G pensioners/family pensioners.

· Revised Rules of CCS (Pension) Rules 1972 consequent to 6th CPC recommendations like Gratuity ceiling, Enhanced family pension, application of new commutation table, age-related additional pension, Minimum/Maximum pension etc. were made applicable to BSNL IDA pensioners that too after getting clarification from DoP&PW.

· Explanation under sub-rule 8 of Rule 37-A of CCS (Pension) Rules 1972 clearly states that "it shall be calculated in the same way as calculated in the case of a C.G. servant, retiring or dying on the same day".

· DoT OM No.40-13/2002-PEN(T) dated **15/1/2003** while clarifying under doubt No.4 clearly states that the minimum & maximum shall continue as existing in CCS (Pension) Rules unless specifically approved otherwise by the Govt.

· Para 3 of DoT letter dated **12/8/2009** stated that "**the present method of calculation of minimum pension which is 50% of the minimum of the lowest pay scale shall continue**".

· It is clear that the minimum pension for BSNL IDA pensioners is Rs.3500/- since the minimum pay in Central Govt. is Rs.7000/- from 1/1/2006. The minimum pay in BSNL was revised as Rs.7760/- from 1/1/2007 only by an order dated 7/5/2010 issued by BSNL Corporate office.

· DoT issued OM dated **15/3/2011** vide F.No.40-17/2008-Pen(T)-Vol.III for revision of pension of pre-2007 pensioners/family pensioners of BSNL. Para 4.4 of that OM states "the

lower and upper ceiling on pension/family pension shall be Rs.3500/- and Rs.45,000/- respectively". It is apparently clear that the minimum/maximum pension relates to C.G. pay and not BSNL pay.

PRC has nothing to do with pension revision. Pension revision does not find a place in the terms of reference of any PRC. Though DoT tries its best to include it in the terms of reference of 3rd PRC, it could not succeed because it is a policy matter of the Govt.

- Pay revision of Executives is decided on the basis of PRC recommendations. Pay revision of non-executives is determined on the basis of bilateral agreement between BSNL and recognized unions and BSNL has no say with regard to pension because GOI is paying the pension.

- In reply to a RTI application, BSNL corporate office vide its letter dated 15/11/2016 stated that as on **1/11/2016 there were 28,791 Executives and 1,36,791 Non-executives** in BSNL. **All non-executives would retire by 2026 and 24,117 out of 28,791 executives would retire by 2027.**

- Gratuity is being paid in accordance with CCS (Pension) Rules 1972 and not according to Payment of Gratuity Act 1972.

- Retirement benefits in other CPSEs are as per DPE guidelines but for BSNL retirees it is as per CCS (Pension) Rules 1972.

- In the case of BSNL retirees, full pension liability lies on Government of India whereas for other CPSE retirees GoI does not provide any budgetary support.

Our efforts

Government of India under Dr. Manmohansingh announced the constitution of 7th CPC in September 2013.

- Immediately our CHQ wrote a letter to **Shri V.Narayanasamy, MoS, (PMO)**, Ministry of Personnel & Training on **29/9/2013** for inclusion, in terms of reference of 7th CPC, for pension

revision of BSNL IDA pensioners. The letter was personally handed over to him by a team consisting of Coms D.Gopalakrishnan (VP), G.Natarajan (GS), S.Gunasekaran (Treasurer), K.Muthiyalu (Organising Secretary) and V.Ramarao (Circle Secretary, TN) at Puducherry. We met Shri V.Narayanasamy twice later in this regard.

Similar letter was sent to **Shri Sanjay Kothari, Secretary, DoP&PW on 23/10/2013** and to **Shri P.Chidambaram on 29/10/2013.**

CWC of our Association met at Ernakulam on 14th & 15th November 2013. After discussion, a five member committee consisting of Coms P.S.Ramankutty (President), D.Gopalakrishnan (VP), G.Natarajan (GS), Chidhusingh (DGS) and K.Muthiyalu (Organising Secretary) was constituted to prepare the draft memorandum.

- On **28/2/2014** Cabinet approved the terms of reference to 7th CPC and our request did not find a place in the terms of reference. GoI also announced that Justice A.K.Mathur shall be the chairman of 7th CPC, Ms. Meena Agarwal shall be the secretary and announced other members also. The committee was asked to submit the report by 31st December 2015.

- CWC of our Association met at **Chennai on 4th & 5th April 2014**. A draft memorandum was placed before the CWC. 15 days time was given to CWC members to study the draft and suggest modification if any. It was decided that on completion of that exercise, the draft would be circulated to other BSNL pensioners' organizations for their opinion/comments so that a common memorandum can be presented to 7th CPC. It was also decided, if for any reason, if a common memorandum is not possible we can submit our memorandum to 7th CPC.

Since no modifications were suggested by CWC members within 15 days, the draft was sent to all BSNL pensioners' organizations for eliciting their opinion for a common memorandum. But none even acknowledged. But our demand was much appreciated by some C.G.

pensioners' organizations like Coordinating Committee of Central Govt. Pensioners of Karnataka, AIFPA (Chennai) and Bharat Pensioners Samaj. They included our demand in their memorandum presented to 7th CPC.

- 7th CPC prepared a questionnaire and circulated to all concerned stake-holders and it fixed **31/5/2014** as last date for submission of memorandum. We submitted our memorandum before that date. But later, 7th CPC extended the time upto **31/7/2014** at the request JCM, Staff side.

- BCPC (Bharat Central Pensioners Confederation) convened a meeting at Chennai on **14/6/2014**. Our Association was represented by Coms D.Gopalakrishnan, G.Natarajan & V.Ramarao. We explained our demand and all agreed to that. Com Pabitra Ranjan Chakraborty of West Bengal said that their demand is also the same. After an hour, Com C.K.Narasimhan, Circle Secretary, AIBDPA, after speaking to someone over phone, informed the house that their association is not agreeable to the demand but they want pension revision along with pay revision of BSNL employees. Com S.K.Vyas said that since there is no unanimity in this demand both can submit their memorandum to 7th CPC separately. **The spoiling game started there itself.**

- BCPC representatives met 7th CPC on **23/7/2014**. It's chairman Com S.C.Maheswari placed our demand. But Com V.A.N.Namboodiri wanted BSNL fitment formula for BSNL pensioners. So, 7th CPC asked both to submit separate memorandum. Com Maheswari submitted a supplementary memorandum to 7th CPC incorporating our demand.

- **Oral evidence** was given on **24/8/2014 at Bengaluru** by our AGS Com **P.Gangadhara Rao** (B.Murthy, Asst. Circle Secretary, Karnataka accompanied him) before the 7th CPC. This demand generated much discussion in which the chairman Justice A.K.Mathur, Shri Vivek Rae (Member) Ms.Meena Agarwal (Secretary), Coms Bhaskaran, K.B.Krishna Rao and S.Radhakrishnan (all leaders of CCCGPA) actively participated. After seeking required information and after going through the papers presented by us, the Chairman stated "he

views that this particular subject, as a judge, is to ensure natural justice and therefore, he is with BSNL pensioners and the commission will consider their demand, ofcourse, after getting the response from the Government".

- On **23/3/2015** we met Member (F) Ms. Annie Moreas and gave a letter and discussed.

- We met Secretary, 7th CPC Ms. **Meena Agarwal in March 2015** and discussed the issue in Delhi. We were informed that comments from DoT have been sought on our demand.

- On **20/4/2015** we met DDG (Estt.) and asked whether any reference has come from 7th CPC and we were informed that nothing has come.

- We met Joint Secretary, 7th CPC Shri JayanthSinha and two other officers in Delhi on **22/4/2015** and handed over a letter addressed to Smt. Meena Agarwal stating that the officers in DoT informed that no reference has come from 7th CPC. Later we got the information that the letter dated 31/12/2014 from 7th CPC to DoT has gone to Administrative section and not to Establishment section. Our demand was forwarded to DoT and sought their comments but DoT has not sent the reply.

- On **22/4/2015** we wrote a letter to Secretary, Telecom urging to reply to 7th CPC in support of our demand.

- On **2/7/2015** we wrote another letter to Secretary, Telecom. In that letter, we mentioned about the Secretary (T) assurance, to Forum leaders on 1/5/2015 when they met him after two days strike in April 2015, that a reference will be made to DPE to include 'pension revision' in the terms of reference of the PRC to be appointed. We requested him to review his stand and take a decision for pension revision on the basis of 7th CPC fitment factor.

- We met Secretary, Telecom Shri Rakesh Garg on **4/8/2015**. We handed over a letter

and discussed the issue. We urged him to send the reply to 7th CPC and he agreed and it was ultimately sent on **17/8/2015**. Secretary (T) also informed us that even if there is no recommendation from CPC, we can take up the issue with nodal departments like DoP&PW. The same was reflected in the reply sent to 7th CPC. The letter from DoT to 7th CPC stated "applying the same fitment formula on pay/pension revision may perhaps not be feasible. However, **this point can further be examined and deliberated by the nodal department i.e. DoP&PW**".

· We met Secretary, DoP&PW on **5/8/2015** and discussed the issue. As requested by him, we sent a brief note to him.

· On **22/8/2015** we wrote a letter once again to Smt. Meena Agarwal, Secretary, 7th CPC reiterating the demand.

· 7th CPC submitted its report to GoI on **19/11/2015** and there was no mention about our demand.

· On **24/12/2015** we wrote a letter to Shri Rakesh Garg, Secretary (T), reiterating our demand. We also wrote to Shri Pradeep Kumar Sinha, Cabinet Secretary and Shri Devendra Chaudhary, Secretary, DoP&PW seeking their intervention.

· On **26/12/2015** our AGS Com S. Arunachalam along with other circle/district-level leaders G.R.Dharmarajan, Ravindran, Sankaran, Shanmugam, Vairamani and others met Shri Pon Radhakrishnan, MoS for Shipping & Transport in the morning and met Shri Ravi Shankar Prasad, Hon. Minister for communication & IT at **Madurai** and explained the demand. He has agreed to do the needful.

· On **24/2/2016** we wrote to Shri J.S.Deepak, Secretary (T) requesting to take up the issue with Empowered Committee. We met DDG (Estt.) Shri S.K.Jain and he informed that a reference is sent to DPE for inclusion of pension revision in terms of reference to 3rd PRC and at the same time it is also referred to 'Implementation Cell' of Empowered Committee to consider 'applica-

tion of same fitment formula to BSNL retirees'. When we met Member (F) on that day, she was of the opinion that it should be referred to 3rd PRC only.

· On **25/2/2016** we met Shri Harjeetsingh, Director, DoP&PW and discussed this issue for a long time. He started with negative answer but after hearing our arguments patiently he asked us what is our actual demand. We explained that Basic Pension + IDR + 32% of Basic Pension is our demand. Then he asked whether we want the revision from 1/1/2016? We told him that the revision can be from 1/1/2017 since last revision took place in 2007. Then he said that he can consider the demand provided DoT sends its proposal with due justification.

· On **26/2/2016** we met DDG (Coordination & Admn.) Shri S.C.Sharma who is the nodal officer for implementation cell from DoT and handed over a letter to him. After hearing our views he arranged a meeting with Shri R.K.Chaturvedi, Joint Secretary, DoE who is the chief of implementation cell. We met him at Room No, 211, Hotel Asoka for about 20 minutes. Initially he was also negative but after hearing our views he responded positively. He also said that a proposal with due justification should come from DoT.

· On **2/3/2016** we wrote another letter to Shri J.S.Deepak, Secretary, Telecom. We also wrote to Shri Suresh Chandra Sharma, Nodal officer from DoT for 7th CPC implementation cell.

· On **17/8/2016** we again wrote to Shri J.S.Deepak, Secretary, Telecom.

· On **23/11/2016** we handed over a letter to the O/o Secretary, Telecom and we were asked to meet Joint Secretary (Admn.)

· On **24-11-2016** we met JS (Admn.) Shri Amit Yadav, Member (F), Member (S) and DDG (Estt.) and discussed.

· On **22/2/2017** we met Secretary (T) Shri J.S.Deepak. We handed over a letter and discussed.

· On **11/9/2017** we met Shri Ananthkumar between 1920 & 1940 hours. He asked us the

details of our demand and we explained the required details. We told him in clear terms that buerocracy will not decide unless there is a political intervention.

· On **12/9/2017** as per the advice of Shri Ananthakumar we met Shri Manoj sinha, Hon. Mos for communications at 1305 hours and presented a memorandum and explained the demand in brief. After going through our letter and hearing our arguments he wrote something on our letter. We handed over a letter to the O/o Secretary, Telecom since she was out of station. Along with that letter we also attached a table indicating the total pension of C.G. pensioner and BSNL pensioner as on 1/1/2016 & 1/1/2017. We met DDG (Estt.) Shri S.K.Jain and discussed. He said that no decision is yet taken by DoT with regard to pay revision as per 3rd PRC report and he reiterated his position on our demand. We met Director (PSU) Shri Pawan Gupta and he told that no pay revision can be considered this year. He also ruled out the possibility of zero percent weightage.

· On **14/9/2017** we met Member (F) Anuradha Mitra and discussed. She said that this issue is under the domain of Member (S). But she heard our arguments and said there should be a consistent stand and you can't catch a train which goes fast one day and catch another fast train on another day. We stated our consistency on this demand and finally she told that Member (S) has to study and send a proposal.

· On **7/11/2017** we met Shri Ananthkumar at 1715 hours and he told that he had already talked to Secretary (T) Ms. Aruna Sundararajan and she has informed him that MoS © has asked her to examine the demand that how best we can do. She has also told him that approximately Rs.2,000/- crore would be the expenditure per annum.

· On **8/11/2017** we met Secretary (T) Ms. Aruna Sundararajan at 1730 hours and handed over a letter. She carefully went through the letter and heard our view-points. Then she told that it requires deep examination on certain points like

a) likelihood of anomaly b) past history & c) whether the solution is temporary or permanent. She also told that she cannot commit anything at this juncture to put a positive note to Hon MoS © as requested by us since the issue needs further examination since we have quoted Supreme Court judgement etc.

· On **30/11/2017** we met Member (S) Shri Lav Gupta and discussed. He wanted a letter from us requesting for delinking pension revision from pay revision and we immediately gave it. But he retired the next day. We also met Special Secretary (T) Shri Sivasailam and discussed. He said that he is convinced but some more officers need to be convinced and it may take some more time to put up the note. We also met DDG (Estt.) Shri S.K.Jain and he said that it would be difficult to put up a note for pension revision without pay revision. He also said that if we seek the opinion of DoE, then it may get rejected. We placed our view points.

· On **6/3/2018** we wrote to Shri Manoj sinha, Hon. MoS, communications.

· On **7/3/2018** we met Shri Ananthkumar at 1600 hours in his parliamentary party office. He spoke to Ms. Aruna sundararajan, Secretary (T) in our presence and told her that there seems to be justification in the demand of same fitment formula of 7th CPC to BSNL retirees and asked her to discuss that demand with us.

· On **8/3/2018** we met Secretary (T) Ms. Aruna Sundararajan at 1715 hours in the conference hall. DDG (Estt.) Shri S.K.Jain, DDG (PSU) Shri Sanjeev Gupta and Director (PSU) Shri Pawan Gupta were also there. She went through the letter handed over to her by us. We recalled the meeting with her earlier on 8/11/2017. We told her that likelihood of anomaly can be solved by way of notional pay for those who retire after 1/1/2017 and there are precedences to grant pension on notional pay. DDG (Estt.) said that it requires amendment to Rule 37-A and we countered his argument and Secretary (T) asked him whether he has understood that point and DDG

(Estt.) told that he has understood. We also told her that the solution shall be permanent one and not temporary. We also told her to delink pension revision from pay revision. After the issuance of DoT order dated 20/7/2016, based on cabinet decision, BSNL finance has nothing to do with pension/family pension and the entire liability should be borne by Gol. She told that she would do the needful.

· On 24/3/2018 Shimoga District leaders of our Association met Hon. MoS © and presented a memorandum.

Letters to Ministers

· We wrote to Shri **Ravi Shankar Prasad**, Hon. Minister for communications & IT on 3/4/2015, 4/8/2015. Tamilnadu Circle presented a letter to him on 24/12/2015 at Madurai.

· We wrote to Shri **Ananthkumar**, Hon. Minister for Chemicals & Fertilizers on 4/8/2015, 12/11/2016, 13/5/2017 & 5/3/2018.

· We wrote to Shri **Manojsinha**, Hon. Mos, communications on 6/3/2018.

· We wrote to Shri **Jithendra Singh**, Hon. MoS, Ministry of personnel & training on 4/8/2015.

Points and counter points

During the course of discussion with officers in DoT headquarters they expressed certain points and we countered them in the following manner:

1) BSNL pensioners are already having more pension than C.G. CDA pensioners and still why you want more?

Our counter – a) conversion of pay from CDA to IDA is the legal requirement because Hon. Supreme Court in its judgement dated 3/5/1990 stated that any PSU started after 1/1/1989 should only have IDA pay. In accordance with that judgement Department of Public Enterprises issued orders on 12/6/1990. Though many IDA pensioners (not all) are getting little more than CDA pensioners that cannot be a reason to deny due pension revision. **b)** We submitted a table of 7 IDA pensioners belonging to different pay-scales and had they continued in DoT in CDA scales of pay, total pension as on 1/1/2016 would have been

more than total IDA pension (basic pension plus dearness relief) after implementation of 7th CPC recommendations of option 1 and 3 from 1/1/2016.

2) Pension is related to pay and without pay revision how can there be pension revision?

Our counter – a) It is true that initial fixation of pension is related to pay but revised pension is determined on the basis of existing pension + Dearness Relief + weightage (para 4.1 of DoT order dated 15/3/2011 & para 4.1 of DoP&PW OM dated 4/8/2016 can be referred). **b)** By 2026 almost all absorbed employees in BSNL would have retired and there won't be a pay revision from 2027 for DoT absorbed BSNL employees; in such an eventuality can the Government say that since there is no pay revision there can't be pension revision even after 10 years? **c)** Minimum/Maximum pension for BSNL IDA pensioners is determined on the basis of minimum/maximum CDA pay and not on IDA pay (DoT order dated 15/1/2003, para 4.4 of DoT order dated 15/3/2011 and para 3 of DoT order dated 12/8/2009 can be referred).

3) In case, no pay revision or less percentage of fitment is implemented for the existing employees from 1/1/2017 because of the financial position of BSNL, will it not create an anomaly for those who retire after 1/1/2017?

Our counter – a) There were anomalies after every pay commission; there is pension anomaly between those who retired in the first nine months after formation of BSNL and those who retired after July 2001; at the time of conversion from CDA to IDA pay, because of 'point to point' fixation, anomaly exists between seniors and juniors; anomaly exists between pre-2006 and post-2006 retirees. **b)** the likelihood of anomaly for post 1/1/2017 retirees can be resolved by way of 'notional pay' for the shortage; precedences are there for determining pension on notional pay (for example, pension of accounts cadre was decided on the basis notional pay between 1996 & 2003; the benefit of 50% IDA merger effectively

amounting to 78.2% IDA was notional between 1/1/2007 & 9/6/2013; pension was determined to C.G. CDA pensioners on notional LPD as per DoP&PW order dated 12/5/2017). So, likelihood of anomaly is not an issue which is beyond solution and that argument cannot deter us.

Task

Comrades, though we have very valid and sound arguments for pension revision from 1/1/2017 on the basis of fitment factor recommended by 7th CPC and implemented by the Govt. for CDA pensioners, everyone should understand that it is a new concept and new path. It requires a clear policy decision by political bosses and then only DoT officers would act. We are conscious of this reality. Our demand is simple. Existing ba-

sic pension as on 1/1/2017 + IDR (119.5%) + 32% of basic pension. If this is accepted, there will be an increase of 14.58% in total pension. It may cost Rs.1,200/- crores per annum approximately which is not a big burden to the Government keeping the interest of senior citizens in mind. But one big hurdle is that some pensioners organizations, not only do not support this demand which would be a permanent solution and benefit not only the existing pensioners but also the future pensioners, are working at cross purposes, willfully indulges in wrong propaganda that we are asking for CDA pension from 2000 onwards etc. Our appeal for united approach on common demand like this is simply ignored by those organizations. The members of those organizations should understand the spoiling game played by those leaders.

GREAT LOSS TO AIBSNLPWA

Soon after we finished the CWC meeting in Chennai on 17th April 2018 the sad and shocking news came from Ahmedabad that Com. B K Brahmbhatt, our All India Organising Secretary and Circle President of Gujarat, expired on that day morning. Immediately all the available CWC members sat again, held a meeting and conveyed our condolences to his wife and family. Com. B K Brahmbhatt was a most dedicated and dynamic leader of our Gujarat Circle Unit. After his taking over as the President there was a tremendous growth of AIBSNLPWA in that circle. His untimely demise has created void which can not be filled easily. CHQ records its deep appreciation of the wonderful work done the departed leader. Red Salute to Com. Brahmbhatt.

On 28th May 2018 night, another shocking news reached us that Com. N P Jaiswal in Bhopal expired. Com. Jaiswal was the founder Circle Secretary of our Association in MP. He travelled all over MP Circle, organized membership with dedication and placed this organization on a strong base. In April 2013, he hosted the CWC meeting in Bhopal soon after he lost his wife. Many of us, then, did not feel his grief. He helped CHQ in publishing Hindi pages in this Patrika. Unfortunately he was attacked by cancer. He informed us few days back that he was feeling better. But the deadly disease took Com. Jaiswal away from us all. We pay our rich tributes to the invaluable services rendered by Com. N. P. Jaiswal and convey our deep condolences to his family.

It is hereby notified that following amendments proposed by members shall be considered by the next All India Conference to be held on 22nd and 23rd September 2018 at Puri.

Quota: 20% of Membership subscription received from the Members shall be remitted to Central Headquarters and another 20% shall be remitted to the Circle Unit by the District Units. Branch Unit shall remit 20% of the membership subscription to CHQ and another 20% to Circle through the respective District Unit and also remit 20% of membership subscription to the District Unit.....</p>

Note 1: AIBSNLPWA being a registered Society, its Constitution can be amended only after notifying the amendments one month in advance.

Note 2: The first two amendments are proposed by Com. K G Deshpande, CWC Member

Note 3: Com. G S Bajwa, CS, Punjab has proposed the last amendment, to Art. 11. It may require some decision on organizational structure too. Dist. Unit is the base unit of our Association. Some major Districts have formed branches for better functioning. Many District units do not have branches. CS Punjab wants 40% of the subscription be given to branches, if any. Since there is no uniformity all over India, we can consider a suitable decision in the conference on sharing the 60% of membership subscription by Districts and their Branches retaining District Units as base units.
