Respected Madam,

Sub: Grant of notional increment on completion of 12 months for Pensionary Benefits – General orders requested.

Kindly refer the representation dated 26-12-2022 of our Association where in it was requested for issue of general orders for grant of notional increment on completion of 12 months for pensionary benefits.

DOPT may also kindly refer its OM dated 22-11-2022 which states that the issue is under examination.

As the matter has been legally settled with the recent orders of supreme court, it is once again requested that DoPT may please issue an unambiguous general order to grant one notional increment for pensionary benefits, for those who completed one full year after the last increment and retired without getting the increment, as expeditious as possible.

Thanking you

Yours faithfully,

(V Vara Prasad)
General Secretary

Copy to:- Shri Murali Bhavaraju, Dy. Secretary (Pay), b.murali@nic.in with a request a to issue necessary orders please.
