**ALL INDIA BSNL PENSIONERS WELFARE ASSOCIATION (Identified & Registered under 'Pensioners Portal) Central Headquarters, Vijayawada**

Sir,

Please find herewith the clarification dated 05-04-2023 issued by CBDT wherein it is mandated that tax deductor should seek option from each employee before TDS is deducted with effect from FY 2023-2024. We, as pensioners, some times experiencing difficulty to submit our option in the absence of proper procedure by CCAs and huge amount of tax is deducted at the end of Financial year denying us an opportunity to exercise our option resulting in avoidable burden.

I would only request you to kindly arrange to endorse this clarification to all CCAs under DOT for proper implementation to reduce the hardships especially to pensioners with a clear instruction to implement a well informed procedure right from the start of the financial year which should ensure well staggered deduction of TDS from pensions.

regards

V Vara Prasad
